CPR Successful in Heyburn

On August 31, 2022, Heyburn Police responded with Heyburn QRU, Minidoka's Emergency Response Ambulance, and Minidoka County Fire District to an unresponsive person who was not breathing at a residence in the City of Heyburn. Heyburn Police Officer Roman Seipert was the first responder on scene and immediately began providing life saving measures. Officer Seipert conducted CPR as Fire, QRU and ambulance staff arrived.

Working together these amazing first responders were able to resuscitate the unresponsive citizen and deliver the patient to Life Flight who took the patient to St. Luke's in Twin Falls. As noted by Life Flight and medical staff from St. Luke's, due to the quick and dedicated response of Officer Seipert and the Fire/EMS teams, the patient's life was saved.

End of release.
