Investigation into Heyburn Police Shooting

As a follow up to the press release dated May 27, 2023, the Heyburn Police Department would like to provide the following updates.

A neighboring law enforcement agency will be conducting an independent investigation into the shooting incident which occurred on May 27, 2023. Their investigation will determine whether there were any violations of law and if there were any violations of the Heyburn Police Department Policy and Procedures. Upon completion, their findings will be presented to Chief Bertalotto for further action if appropriate, and to determine if the officers' actions were appropriate and/or reasonable in the best possible service to the Heyburn community.

The officer has been placed on administrative leave, pending the outcome of the investigation.

Our relationship with our community is our top priority. We are committed to resolving this issue quickly and providing the results and conclusions to our community with full transparency.

End of release.
